Allocation of Power from UMPPs

Yeddyurappa Shri B. S.

Will the Minister of POWER be pleased to state:

- (a) whether a number of Memoranda of Understanding have been signed for allocation of power to be generated from the Ultra Mega Power Projects being set up in the country;
- (b) if so, the details thereof, State-wise including Karnataka;
- (c) whether some State Governments have requested for additional power there from; and
- (d) if so, the details thereof and the decision taken by the Union Government in this regard?

Answer

THE MINISTER OF STATE (INDEPENDENT CHARGE) FOR POWER,
COAL, NEW & RENEWABLE ENERGY AND MINES

(SHRI PIYUSH GOYAL)

(a) : No, Madam. However, the allocation of Power from UMPPs is decided by Central Government in consultation with the States Governments. Up to 50% power is allocated to lead procurer, the state in which UMPP is located. Further, power allocation is based on location of the project in a particular region, power deficit, availability of transmission infrastructure and equity contribution in Special Purpose Vehicle (SPV), proportionate to power allocation to that particular state etc.

On award of project to successful bidder, Power Purchase Agreement (PPA) is signed between DISCOMs of power procuring states and the successful bidder (developer).

(b) to (d) : For the power allocation from Bihar and Deoghar UMPP, the State Governments of Gujarat, Haryana, Kerala and Karnataka have asked for additional power. After considering all the facts, the power allocation is made by the Central Government.

The power allocation from awarded UMPPs and UMPPs in pipeline is given in the Annexure.
